

New Practice facility Information

FLIGHTSCOPE MEVO PLUS 2023 practice facility

Pricing & Usage

After several discussions and a questionnaire regarding pricing and usage the committee have decided on the following prices. These reflect the booking fee charged by Masterscoreboard for using the online booking system. It is not cost effective to offer 30 minute slots due to the booking fees involved.

Time	1 Person	2 People	3+ People
1 Hour	£11	£16	£21
2 Hours	£20	£25	£30
3 Hours	£30	£35	£40

There will be 1 bay with a simulator, projector and screen and a second bay will have a net for the time being until we get the second simulator up and running. The floor will be carpeted out in full with a putting carpet.

The Simulator:

The simulator has over 150,000 courses pre-loaded into the software package, Dale is NOT included on the list. There are functions for driving range, rounds of golf, nearest the pin, longest drive and many other playing/practice options. As you are hitting into a screen there is a visual of your ball flight along with all the technical data relating to the shot. Data available includes but not limited to:

- Carry Distance
- Clubhead Speed
- Smash Factor
- Ball Speed / Spin rate
- Launch angle
- Angle of attack
- Club/face path
- Swing planes
- In built camera

Access & Booking

The Clubhouse has been upgraded with security cameras very kindly donated by JRGW Comms Ltd (Grant Wiseman) which will cover the facility, bar, extension and car park. Masterscoreboard will be used initially as a booking system for the facility. We are unable

to use members competition purses to book available slots so each booking will have to be made and paid for at time of booking. Booking will be similar to booking a tee where 1 hour slots will be available and price will depend on how many people are attending. The facility will not be manned full time so we would ask members to be honest with their usage.

The access will be through the main entrance to the clubhouse, this will also allow access throughout the upstairs area and toilets. You will be expected as a member to treat the area with respect and leave it as found. Again security cameras will cover the area.

We are installing a key fob entry system to the inside porch door. Due to the cost of this, during the induction you will be able to purchase a fob (£10) to gain access to the facility. Your fob will be allocated to your name and must be used for entry so we have a record of who is in the building in case of an emergency. There will be an emergency exit button and break glass option to co-inside with health and safety rules. The entry log will also be used to ensure that a booking has been made prior to use.

We will host some induction sessions to show you how to use the software. Hopefully this will co-inside with some Sunday (Saturday) teas which will be mostly aimed at members but would allow non-members to be made aware of the facility.

Bar opening hours will depend on bookings and availability of volunteers.

We hope to run some fun competitions such as nearest the pin, longest drive, hit the number and possibly matches/competitions in time. This is a new facility for us all and there will be plenty of learning curves before we get it right. In time we hope to run a Saturday competition once a month through the winter and provide some form of food.

Currently we are unable to provide vouchers for booking online but are looking into the possibility of introducing them. This would make an ideal Christmas/Birthday present.

Visitors will be welcome to use the facility and will gain access to a fob in a pin locked keysafe located in the porch. Details to be gained at time of booking.

Corporate bookings can be made in advance at a rate of £50 per hour and we will try our best to open the bar for the duration of their booking.

There are plans to introduce beginners nights and Junior sessions which will fulfil the requirements of our grants.

If you have any other questions regarding the facility please don't hesitate to contact us on info@shetlandgolfclub.co.uk
